

OCTOBER 25 AUCTION NEWS

ALL SCHOOL ART PROJECTS

All school art project- ALL STUDENTS, please have your student send in a random object from home that is no more than 1x1 inches. This can be a bottle cap, Lego, figurine, small matchbox car, etc. Please note, these items are being used for an art project, and your child will not get their object back. So, make sure there isn't any sentimental value! Please have students turn in their object to their classroom teacher by November 19, 2021.

5th grade art project- 5th GRADE PARENTS, please send in a 4x6 photo of your child, maybe making a silly face, sporting their favorite Ohio state outfit or St. Brendan's gear! We will be using the photos for a large art project for the entire 5th grade! If you do not want your child's picture apart of the artwork, no worries! Each student will have the opportunity to decorate their piece of art with or without a picture of themselves. We have extended the deadline, please have students turn in their photo to their classroom teacher by November 19, 2021. If you would rather email the photo, you can send it to one of our class projects chairs, Natassia Chapman at natassiaray@gmail.com.
