EXCITING AUCTION ITEMS AND NEWS

We plan to have our silent auction open for bidding by the end of this coming weekend and our live auction in preview mode. The silent auction will be available to all since it is online; however, the live auction will be in person bidding. If you are not attending the auction, but would like to bid on a live auction item, you can email our auction chair, Joy Bair jbair1@cdeducation.org by 5:00 PM Friday 2/25, to have a proxy bidder bid for you on auction night.

In addition, we will be working our silent auction closing a little differently. We will close about 10 items every 5 minutes starting at 6:00. We will have an 'extended close' feature added. If someone bids on an item in the last 2 minutes prior to the closing time, an additional 2 minutes will be added on from the time of the bid, so that the bidding will close once there are no bids on the item for 2 minutes. Example: if the scheduled closing time is 6:00 for an item and someone bids at 5:59:30, the closing will be extended by 2 minutes to 6:01:30, if someone then bids on the item at 6:00:15, then the new close time would be 6:02:15, then if no one bids again, it will close at 6:02:15.
