

## Thank You

Thank you St. Brendan Community for your support in donating cash or items for our live and silent auctions, purchasing (or getting family and friends to purchase) raffle tickets, bidding on items, attending the event, assisting on one of our committees by helping with the art projects, soliciting or collecting donations, putting together baskets, creating decorations, showing up to help with setup, the night of the auction or cleanup the next day! All of your help and support of the auction is greatly appreciated. A special shout out to our auction committee, whose countless hours of planning and volunteering, starting in the summer, made this event possible! With a few expenses yet to come, we estimate our final **PROFIT** from the event to be about **\$130,000!** The annual budget for all of the wonderful things that home and school does, like field trips, educational programs, artists in the schools, parent socials, teacher lunches and high school scholarships to name a few, is about \$60,000, the remaining profit will go toward the project of new flooring and lockers in the middle school wing of the building. Thank you to all of our corporate and personal donors listed here. Please help us thank our donors by supporting their businesses!
